

# Important Updates Regarding COVID-19

***We're here to support you!*** Amid these unusual times, we have come together to help one another in so many ways. The Sunset Foods family is here to serve you. Our store hours remain 7 am-8 pm, and we ask the community to reserve the opening hour of 7 am to 8 am daily for seniors and those with a compromised immune system.

## Safety Protocols

We continue to sanitize and clean our stores for the safety of our customers and employees. We ask that you practice social distancing and remain 6 feet apart from others. Use your shopping cart as a guide. It's roughly 4 feet long. If you aren't feeling well, we encourage you to stay home.

## Product Availability

Sunset Foods stores are well stocked, and we receive frequent shipments. A few in-demand items may sell out faster; however, we will restock as soon as they arrive.

# Curbside and Delivery Services

We are continuing to increase our eGrocer (our curbside pickup service) as demand increases. We partner with Instacart to provide delivery service. Including a doorstep delivery option.

For more information head to our website [sunsetfoods.com/order-online](https://www.sunsetfoods.com/order-online)

## Weekly Ad

Due to high demand and to allow for product replenishment, we have paused our printed weekly sales ad for March 25th. We continue to offer our Save Everyday program providing sales prices on 1000s of items throughout the stores. Please look for the yellow sales tags in our aisles. Our departments will continue to offer in-store sales as we are able. Please note that we have placed purchase limits on some items to ensure availability for as many customers as possible.

---

***Thank you for your understanding and patience.  
As a trusted community partner, we are here to support you.  
We will get through this together.***
